

# Sarah Schafer

“Sally” | [schafer5@uw.edu](mailto:schafer5@uw.edu) | [students.washington.edu/schafer5](https://students.washington.edu/schafer5)

## Education

**University of Washington**, Seattle, WA – *In-Progress*

September 2021 - Present

4.0 GPA in-progress, currently a junior working towards a bachelor's degree, majoring in Informatics, minoring in Environmental Studies.

**Kamiah High School**, Mukilteo, WA — *High School Diploma*

September 2017 - June 2021

4.0 GPA, excelled in 14 honors / AP courses, gained skills in AP Java, Choir, Guitar, Yearbook, German (3 years).

## Experience

**UW Farm**, University of Washington — *Volunteer, Apprentice, Tour Guide, Informatics Intern*

May 2022 - Present

Volunteered 2-4 hours each week at an urban, organic farm. Harvested, planted, weeded, and learned about food systems. Additionally led tours of the farm. Through internship, updated and maintained the UW Farm website with WordPress.

**Salsa Club**, University of Washington — *Officer*

September 2022– Present

Organized events, taught at club meetings, facilitated community building activities, managed social media accounts.

**Hall Council**, University of Washington — *Representative*

September 2021– Present

Learned leadership skills, planned and organized community building events. In Spring 2022, represented my hall in Students Expressing Environmental Dedication (SEED), created informational posters, planned educational events.

**Clothes For Kids**, Lynwood, WA — *Volunteer*

November 2018 - March 2020, September 2022

Volunteered 2-2.5 hours each week at a local nonprofit organization. Sorted donations, tagged clothing, and assisted children in finding clothes.

**Dawg Daze Leader**, University of Washington — *Leader*

September 2022

Welcomed first-year students to campus, assisted with Dawg Daze events, helped students find their classes, registered students to vote, facilitated a connection group, and more.

**DAWGS Crew**, University of Washington Housing and Food Services — *Volunteer*

September 2022

Assisted residents with move-in, welcomed students to campus, and answered residents' and their families' questions.

## Skills

- **Computer Programming**, experience in Java, Python, R, HTML, CSS, JavaScript, and React
- **Graphic Design and Photography** through Yearbook and experience with Figma and Canva
- **Designed and managed** social media accounts for student organizations
- **Leader** in starting the No Place for Hate Campaign through the Anti-Defamation League at my high school

## Achievements

- Dean's List, Fall 2021 – Spring 2023
- Senior “Grand Knight” Award for “Knowledge, Nobility, Integrity, Gratitude, Humility, Tenacity, Service,” 2021
